#### **Roadwork scheduled in Lucas Tract Subdivision from June 15 to June 19**

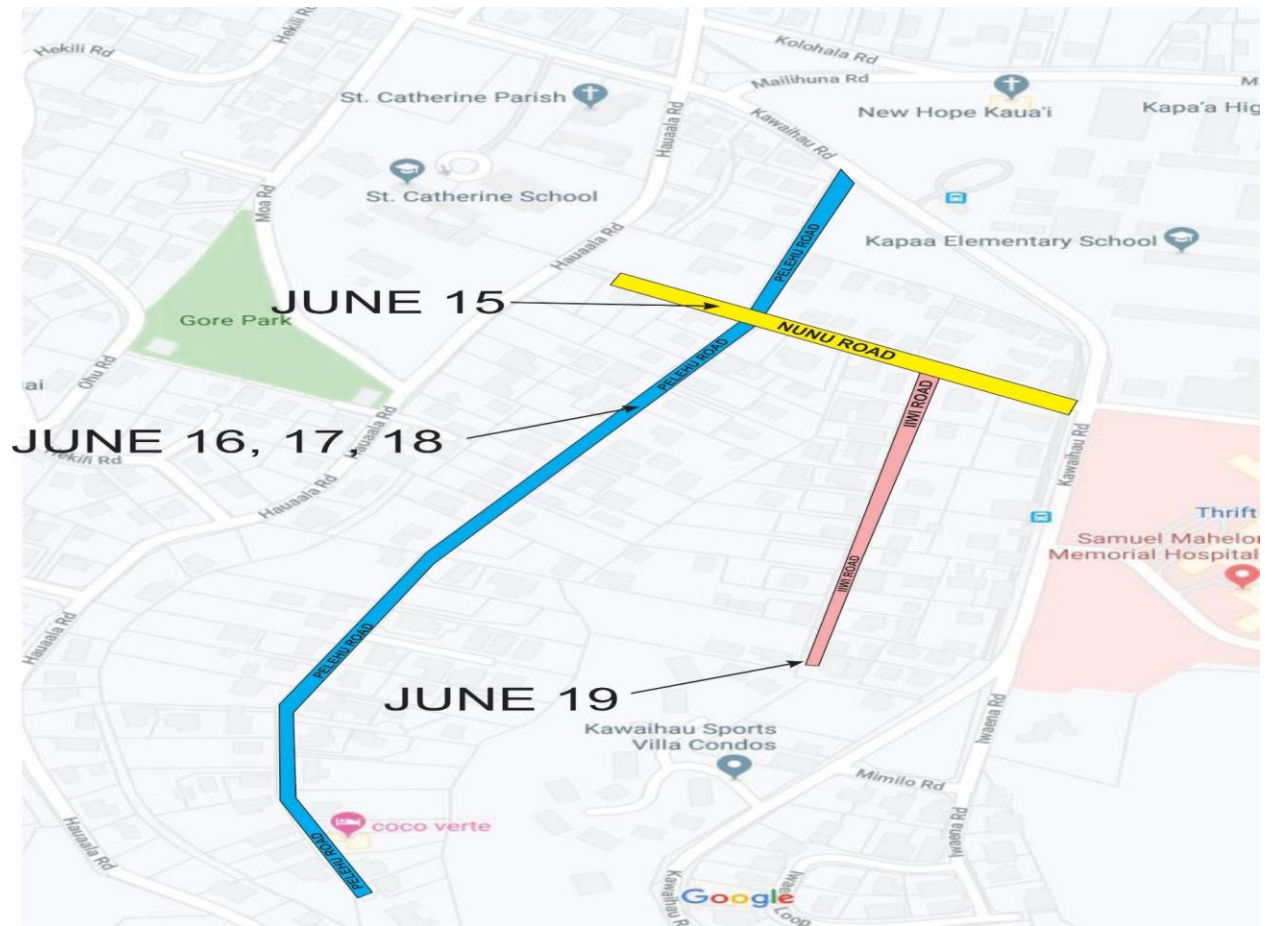

KAPA'A – The Department of Public Works is announcing that GP Maintenance Solutions will begin roadwork in Kapa'a on weekdays from June 15 to June 19, 7:30 a.m. to 5 p.m., weather permitting.

The scope of the work includes asphalt cracks cleaning, filling and sealing. Work will be on Nunu Road, Iiwi Road, and Pelehu Road.

Please see the map below for specific locations and be on the lookout for Road Work signs as this is a good indication that work is in the area and make the appropriate arrangements to accommodate the necessary moving lane and road closures. No street parking within the work zones will be allowed and any vehicle left on the street in the work zone after 7:30 a.m. will be towed away at the driver's/owner's expense. Contact KPD at 808-241-1711 for towed vehicles.

For questions regarding this project, please contact John Kerston of GP Maintenance Solutions at 808-864-0323.
